

Mike and Angie's Prayer Diary

Mike has been invited back to Kenya to speak at a church leaders' conference at the very end of May and beginning of June. At the time of writing he is waiting for medical clearance for travel insurance following a scan. If the visit is going ahead he will send an email with details for prayer.

*One to one meetings continue to be arranged for both of us.
The diary is a bit thinner as we are trying to cut back a little on commitments.*
